## CITIZEU - The Impact of Euroscepticism in the construction of Europe

"The Impact of Euroscepticism in the construction of Europe", is the new project which has embarked our city under the program Europe for Citizens. The project will seek to bring Europe closer to our citizens, combining content as teaching civic participation through which to articulate a mechanism at local level to fight against the incipient Euroscepticism suffering Europe".

*"Let the citizens more in the center of all political action. The European Union is not a project of elites, quite the opposite. Born and grows to ensure the welfare of all citizens"*

Antonio Tajani (President of the European Parliament)

Speech from the Princess of Asturias Awards 2017

## MOOC Course: 'EUROPE IS YOU: Basic course about the...

[jalfloez](#)

The Europe for Citizens Program is an initiative of the European Commission that is trying to promote the active participation of citizens in the democratic life of the EU. To achieve these objectives, understanding between the Union and its citizens is promoted, deepening their awareness of what Europe means and the development of a European sense of identity. Within the framework of this Program, the City Council...

## CITIZEN DIALOGUE: GENOA

[jalfloez](#)

Transnational citizen dialogue among the participants of the debate and invited representatives of various local, regional, national and European institutions. The dialogues have the following objectives: • - Improve global knowledge about Europe. • - To promote public debate between them and between cities and states. • - To promote intercultural dialogue and new perspectives on issues. • - To encourage the participation of citizens with disadvantaged circumstances (discrimination on grounds of sex, race, ethnicity, religion, or belief, disability, etc.) ...
